## 1.2 Legal issues to consider for official release

Licenses and copyright notices have to be retained from all the packages used. If used for commercial purposes, we will need to contact the owner of the vextab-div package. Redistribution with or without modification is permitted for packages under the BSD 3-clause License and MIT License. Under the BSD 3-clause license, neither the name of the copyright holder nor the names of its contributors may be used to endorse or promote our product without specific prior written permission.
